Hollister Construction Services To Take Part in Second Annual Strides for Sara Golf Outing on Monday, August 8

Hollister Construction Services, a leading full-service general contractor and construction manager specializing in industrial, commercial and retail construction, will participate in the Second Annual Strides for Sara Golf Outing on Monday, August 8 to benefit Sara Cagnassola, a Westfield, N.J girl who was born in 2002 with cerebral palsy

"At Hollister, we believe in building stronger communities and in doing what we can to help those in need," said Chris Johnson, Chief Executive Officer of Hollister Construction Services. "This is a very worthwhile and fun event and we encourage other companies and individuals to join us on August 8 to help Sara. The special round of golf, which is just one of the fundraising events planned, will take place at Basking Ridge Country Club, 185 Madisonville Road, Basking Ridge, NJ, beginning at 10 a.m. It will be followed by a cocktail reception and dinner.
The event was started in 2009 to provide Sara with the tools she needs for mobility and accessibility in her daily life. In 2010, proceeds went toward purchasing a wheelchair. This year, organizers would like to make the Cagnassola home wheelchair accessible.To learn more about Strides for Sara,
