

Jordan M. Schweiger

Vice President of Operations

Specialty / Expertise

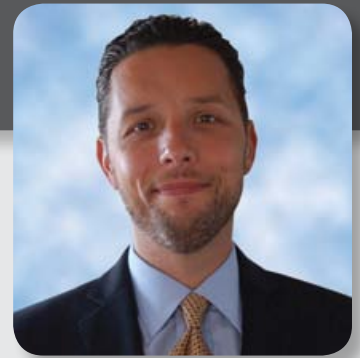

Jordan utilizes his vast experience of operational and financial management to ensure that Hollister Construction Services continues to emphasize the high standards and strong relationship building that have become part of the Hollister mission. Jordan's responsibilities include but are not limited to managing the day to day operations of marketing, human resources and benefits administration as well as helping to oversee accounting, technology and general office management.

Career / History / Professional Recognition

Jordan spent six years as a financial advisor with Morgan Stanley in Philadelphia where he helped manage finances of high net worth individuals. Jordan then spent two years managing the operations of a European antiques importer. He was then hired as Operations Manager at a New Jersey ready mixed concrete supplier. He was quickly promoted to General Manager where he was asked to manage a vast array of business operations. Jordan brings his commitment to strong management, pleasant work environments and general business knowledge.

Education / Association

- BS Marketing Fairleigh Dickinson University
- Member American Concrete Institute
- Member Newark Regional Business Partnership
